Bob, Thinking of next FB season, what is the latest on your renovation of the stadium for FB?? We should talk soon and I should lay out for you what is happening here. As of now, us getting lights is still a tough battle...

Bob-Thanks for letting us get out there yesterday-I trust everything was left in good condition. I hope this is the last time I need to bother you with this event!!:)

I do need you to know that it looks like we will need the FB stadium one more year and I believe the schedule says we have no conflicts-can you confirm this when you get a chance.

Thanks Bob,

Z
